"He that is thy friend indeed,
He will help you in thy need:
If thou sorrow, he will weep:
If thou wake, he cannot sleep;
Thus of every grief in heart
he with thee doth bear a part."
Shakespeare

These performances are dedicated to the memory of two associates whose contributions to the success of Payson Community Theatre are immeasurable.

Renee Kennedy (Costumer)

Renee would never admit to greatness, though that is the appraisal of family and friends. She was not only a gifted being who worked hard and conscientiously to achieve, but a person whose life was shaped by honesty, integrity, compassion and kindness.

Arch Williams (Actor/Director)

Arch always believed that the development of talent is one of the purposes of life and that it is a prerequisite to complete happiness. He also taught that we obtain our greatest satisfaction by using our talents in the service of others. he has forever altered the lives of all of us fortunate enough to learn at his feet and work at his side.
