Director's Notes

I believe there is no musical more fun than "Singin' in the Rain", and few remain as fresh over the years. The elements in this musical are what drove me to be involved with theatre ...story, characters, setting, comedy, romance, conflict, solutions, and of course singing and dancing - somehow it all comes together in this show.

My personal thanks to Payson Community Theatre for giving me the opportunity to direct and act in this show. It has fulfilled a lifelong dream of mine. Your confidence and support have been greatly appreciated.

I want to dedicate this show to my mother Dorothy Carrasco. You supported me through the heat, cold, distance, time, money, and yes even in the "rain". Thank you, Mom

- Michael
